

High Plains Elementary is pleased to announce that Champions will be providing before and after school extended day services to our school in the fall school year 2014-2015.

Champions offers a safe, quality program on campus. Every day at Champions will focus on five key areas that are as fun as they are educational! These areas include; reading, writing, and homework help, science skills, creative endeavors, physical fitness and healthy eating.

Champions is now accepting registration for enrollment for all students. You can now enroll your children at Champions for the upcoming 2014-2015 school year. The entire process including scheduling and payments are done online. Please go to www.discoverchampions.com search by zip code to find our school, then click on the Enroll Now button.

If you have any questions or need help in getting registered please contact Champions customer support at 800-350-5034.

CCCAP families, don't forget to notify your caseworker of the change in provider.

We look forward to our partnership with Champions and look forward to a successful, fun year.

Sincerely,
