

## New! Champions Before and After-School Program is now being offered at High Plains

High Plains and Champions Before- and After-School Programs have teamed up to bring our children additional education based programs before and after their school day. This is a great solution for busy working families and to help fill the gaps during the Summer, Spring and Winter breaks. Champions offer kids fun learning activities and homework support in a safe, convenient place right at school.

Champions program specializes in growing literacy, math, science, problem-solving and enhancing creativity skills with planned learning environments that are fun. Sport zones and nature challenges along with healthy snacks are all provided by your new Champions team. In addition, our programs are designed to help your child:

- boost reading, writing, fitness, and social skills
- build character and confidence
- experience fun, friendships, and learning

Parents love Champions because it's affordable, offers flexible scheduling and is conveniently located right at your child's school. Champions Before- and After-School Program are available at [List school/schools]

We encourage you to join Champions in this effort to nurture young minds, expand horizons, and ensure bright futures.

### More about Champions:

Champions programs focuses on six activity areas that give kids endless opportunities to learn and grow.

- **Take the Challenge Area:** We help children develop problem-solving and literacy skills via homework time, reading, or writing.
- **Imagine That:** We inspire children to explore creative ideas and develop the ability to self-express through art, drama, and music.
- **The Nature of It:** We encourage children to put things together and discover something new using games and science experiments.
- **Sports Zone:** We engage children in movement and focus on team-building, communication, and personal challenges.
- **Snack Attack:** We deepen children's understanding of healthy nutrition with self-serve snacks and cooking activities.
