<p><u>Green Team: Ms. Boser, Mrs. Leach:</u> Students in this club are interested in "going green". This year we will be working toward the development of an outside school garden as we break ground to create a thriving outdoor classroom. This outdoor classroom will also be home to a worm compost and we</p>	<p>September: 14, 28 October: 12, 26 November: 9, 30 December: 7</p>	<p>Wednesdays</p>	<p>PM</p>	<p>2nd – 5th</p>

HPE CLUBS 2016-2017

<p>will investigate how to keep worms alive and thriving. We will learn about reducing waste, reusing materials, and recycling efforts within our school as we install outdoor trash and recycle bins. We will learn about endangered animals in our state and becoming stewards of the Earth. This club will have a cap of 16 and invitations will be granted on a first come first notice system. This club is active and interactive as students participate in discussion, gardening, and involvement in the school's vision toward going green.</p>				
<p><u>STEM Club: Mrs. Krompier:</u> Focus on Engineering through challenges and problem solving</p>	<p>September: 7, 14, 21, 28 October: 5, 12, 26 November: 2, 9, 16, 30 December: 7, 14</p>	<p>Wednesday</p>	<p>7:10 – 7:55 AM</p>	<p>3rd – 5th</p>
<p><u>Jr. STEM Club: Mrs. Krompier:</u> Focus on Engineering through challenges and problem solving</p>	<p>October: 25 November: 1, 8, 15, 29 December: 6, 13</p>	<p>Tuesdays</p>	<p>7:10-7:55 AM</p>	<p>1st – 2nd</p>

HPE CLUBS 2016-2017

Yearbook Club: Mrs. Edgar, Ms. Boser:

Students will take photos and learn basic desktop publishing. Members will act as a class historian for recording their classroom happenings via digital photography. Students will also commit to attend at least one out-of-school event (i.e. PTO events, etc.) during the school year to take photographs for the yearbook that is distributed in May. Yearbook club will meet once a month during morning meeting at school.
