Our competition will take place as follows and I will be sending more info as I get it. We will only be taking one team for each level (4 students max per team) so some competition will be taking place during club. Lego club is not just for competition preparation. If your student cannot or does not want to compete, he/she may still come to club! We will continue to do a variety of challenges!

K/1st team: April 22

2nd/3rd team: 4/23 or 4/24

4th/5th team: 4/29 or 4/30

May 1 Lego club final meeting!
