

High Plains Community,

As you enjoy your Winter Break, please consider taking some time to encourage the love of reading! On the opposite side is a Literacy BINGO Challenge with ideas to incorporate reading, writing, and communicating into your day with your kiddos. Allow them to choose which square to complete, invite them to read with you, and talk about the movies or TV shows you watch together during your time off.

The directions are simple. Complete any square in any order. After you complete the task, color in the square. Get five squares in a horizontal, vertical, or diagonal line to get a BINGO. Some squares require computer access to read articles from PebbleGo. The PebbleGo website and Log In information follows:

Website: www.pebblego.com

Username: hpepg

Password: hpepg

Turn in your BINGO card and any writing to Mrs. Scarpella by Monday, January 14th. Have a fun, safe Winter Break and keep reading!

Mrs. Scarpella
