

# Microsoft Teams for Education

## Quick Start Guide - Parents

New to Microsoft Teams for Education? Use this guide to learn the basics.

### Join a meeting

Occasionally, parents may be invited to join a Microsoft Teams meeting through email. Open the email and click on “Join Microsoft Team Meeting”. If a parent is on a mobile device, they will need to download the Teams app to join the meeting.

Double-check your audio and video input, turn on the camera, and unmute your microphone to be heard. Select **Join now** to enter the meeting.

### Participate in a meeting

Share video, voice, or your screen during the online call.
